### Remembrance Day is Sunday, November 11th

Remembrance Day marks the anniversary of the official end of the World War I hostilities on November 11, 1918. World War I was a massive conflict played out over the whole globe, but particularly in Europe, where troops from Canada supported the Allied forces.

World War I resulted in the loss of huge numbers of lives amongst both civilians and military personnel. Many more people were badly injured. The war left great emotional scars in the servicemen, who had experienced it, and in the communities, whose sons, brothers, fathers, uncles and even grandfathers had died. Remembrance Day commemorates those who died in armed conflicts, particularly in and since World War I.

Remembrance Day is symbolized by the artificial poppies that people wear and place at war memorials. The poppies may be worn or placed singly or as wreaths. The use of the poppy, as a symbol of remembrance, comes from a poem written by John McCrae, a Canadian doctor serving in the military. The poem is called In Flanders Fields and describes the poppies growing in the Flemish graveyards where soldiers were buried. The Poppy should be worn with respect on the left side, over our hearts.

*Let us not forget the soldiers that fought and died for us and hold our heads in remembrance for two minutes of silence at 11:00 a.m. on Sunday, November 11th.*

#### \*DON'T FORGET!\*

- \* **To set your clocks back one hour on Sunday, November 4th,**

## 2018 Municipal Election

### Compliance Audit Committee

Section 81 of the Municipal Elections Act provides that an elector who is entitled to vote in an election and believes on reasonable grounds that a candidate has contravened a provision of the Act relating to election finances may apply for a compliance audit of the candidate's election campaign finances. The application is made to the Clerk of the municipality and shall set out the reasons for the elector's belief. A copy of the application form is available on the Township of O'Connor's website or from the Municipal office.

The Townships' of Conmee, Gillies and O'Connor have formed a Joint Compliance Audit Committee. The Committee consists of three members, with one member from each municipality. The Clerk of the Municipality from which an application derives, serves as the Secretary to the Committee.

Candidates Financial Statements will be posted on the Township's website once submitted.

## DON'T FORGET TO CHECK YOUR CHIMNEYS!!!

Before the cold, crisp days of winter make cozy evenings in front of the fireplace irresistible; take time to make sure your fireplace is as safe as it is inviting. The leading factor contributing to home heating fires was the failure to clean chimneys.

### How often should a chimney be inspected?

Every year. New wood-burning installations such as fireplaces or wood-burning stoves should be checked midway through the first heating season to confirm everything is working properly.

### How often should a chimney be cleaned?

Cleaning should be done as necessary — normally when there's a minimum 1/8-inch of deposit in the chimney. An annual inspection will determine if any sweeping or repairs are needed. In some cases, it's necessary to sweep more than once a year, especially if the operator, the fuel or the venting system are not properly matched.

### Why get a chimney inspected and cleaned in the first place?

1. The combustion process deposits an acidic material that weakens masonry or metal chimneys, causing them to deteriorate prematurely.
2. Significant buildup of creosote, a flammable material resulting from incomplete combustion, may catch fire and spread to the attic and other areas of the home.
3. If a chimney is used infrequently, critters and birds can collect and nest there, blocking the chimney. Leaves, twigs, pine cones and branches can obstruct the chimney, too.

High winds or driving rain can also damage chimneys. It is recommended that, as a general rule, a chimney should have a rain cap to keep out animals and water as these are the primary reasons chimneys fail.

The O'Connor Fire Department Auxiliary has set up Pop Can, Beer and Liquor Bottle bins at the Disposal Site, the Fire Hall and in the village of Kakabeka Falls. Please consider dropping off your pop/beer cans and/or beer/liquor bottles at any of these bins instead of throwing them in the recycling bin at the Disposal Site.

Remove your pop can tabs and drop them off at the O'Connor Municipal Office for charity.

**PLEASE NOTE: These bins are not for water bottles or other recyclables.**

Thank you to all who have donated to date.

**In Ontario, over 65% of all injuries and deaths due to carbon monoxide occur in homes.**

If your home has a fuel-burning appliance or an attached garage, install a carbon monoxide alarm adjacent to each sleeping area.

For added protection, install a carbon monoxide alarm on every storey of the home according to manufacturer's instructions.

**Alarm Locations**

**Take Action:**

- 1. Install and regularly test carbon monoxide and smoke alarms.

[COSafety.ca](http://COSafety.ca)

[ontario.ca/firemarshal](http://ontario.ca/firemarshal)

**Make sure YOUR household is safe from carbon monoxide poisoning.**

Homeowners and landlords are responsible for ensuring their properties have working carbon monoxide (CO) alarms. This includes:

**Testing:**

- It is recommended that carbon monoxide alarms be tested monthly or in accordance with the manufacturer's instructions.

**Batteries:**

- Replace batteries in carbon monoxide alarms once a year or whenever the low-battery warning sounds.
- Know the difference between a low-battery warning and an emergency alarm – consult the CO alarm manufacturer's instructions.

**Replace CO alarms:**

- In accordance with the manufacturer's instructions.
- Know what the "end-of-life" warning sounds like – consult the CO alarm manufacturer's instructions.

**Landlords:**

- Landlords are responsible to ensure working carbon monoxide alarms are installed and maintained in their rental properties.
- The law requires landlords to test CO alarms in rental units annually and when the battery is replaced, changes are made to the electric circuit or a change in tenancy occurs. CO alarms must be tested by pressing the test button.
- The law requires landlords to provide CO alarm manufacturer's maintenance instructions to tenants.

**Tenants:**

- The law requires tenants to notify the landlord if the CO alarm is inoperable.
- It is against the law for tenants to remove the batteries or tamper with the alarm in any way.

Exposure to CO can cause flu-like symptoms.

If your CO alarm sounds, and you or other occupants suffer from symptoms of CO poisoning, get everyone out of the home immediately. Then call 9-1-1 or your local emergency services number from outside the building.

If your CO alarm sounds, and no one is suffering from symptoms of CO poisoning, check to see if the battery needs replacing, or the alarm has reached its "end-of-life" before calling 9-1-1.

## Municipality Newsletters November 2018 Edition

Due to recent rainfall, the Level I Low Water Condition was undeclared on October 1, 2018.

The 2019 Explore Card Parking Pass will be available for sale this month! Proceeds from the sale of Explore Cards contributes directly to the upkeep of our Conservation Areas and education programs. An Explore Card Parking Pass will get you free parking for one year at all of our seasonal and year-round Conservation Areas. Cards are \$30.00 +HST and can be purchased on our website or in person at our Administrative Office. They also make great stocking stuffers!

Once you have your Explore Card, head out to one of our fabulous Conservation Areas. Mission Island Marsh, Hazelwood Lake and Cascades Conservation Areas are fantastic spots to visit in the late Fall and early Winter. The cooler weather brings morning frosts and dramatic skies, which, when coupled with the low light of the morning and evening "golden hours" can result in some amazing photography opportunities.

Of course, late Fall and early Winter hiking is a popular activity. The crisp air means no bugs, and if there are leaves still on the trees, the colours will be gorgeous. Bring along your canine friends for an ON-LEASH dog walk as well. And when the snow starts to really fly, snowshoeing becomes the activity of choice in some of our Conservation Areas.

Additionally, if you are interested in hosting an event at a Conservation Area, be sure to visit our website and complete the "Request to Use Property" form. Conservation Areas are great locations for family events like reunions, picnics or birthday parties. Businesses are also welcome to host company retreats and team-building activities as well. Picnic shelters/pavilions can also be reserved for a minimal fee.

Get out and Explore!

## Excerpt from the OPP Monthly Newsletter

### DID YOU KNOW?

Simply holding a cell phone or other electronic device while driving is against the law.

**On January 1, 2019, penalties for distracted driving will increase to:**

- a fine of up to \$1,000
- three demerit points
- a three-day driver's licence suspension

**Also effective January 1, 2019, novice drivers will face the same fines as regular drivers and also face:**

- a 30-day licence suspension for 1st conviction
- a 90-day licence suspension for 2nd conviction
- cancellation of your licence and removal from the Graduated Licencing System for a 3rd conviction

The OPP is reminding Ontarians to take responsibility for their own safety and that doing so will go a long way in reducing the number of deaths and injuries on roads, waterways and trails.

### DID YOU KNOW?

While 93% of Canadians buckle up, the other 7% do not. Those 7% account for almost 40% of fatalities in vehicle collisions (*Transport Canada*).

### HUNTER SAFETY TIPS

With hunting season underway, the Ontario Provincial Police (OPP) is reminding hunters that safety needs to be a first priority. There are a number of ways hunters can keep themselves, and those around them, safe. These include:

- Telling someone where you will be hunting and when you will be returning,
- Wearing hunter orange,
- Handling firearms with care and attention at all times,
- Never shooting unless you're sure of your target and what lies beyond,
- Carrying a survival kit and a small first aid kit with you at all times,
- Never drinking alcohol while hunting.

The Ministry of Natural Resources and Forestry, in partnership with the OPP, is encouraging all hunters to become familiar with all safety rules and resources that are available to them so that they have a safe hunting season.

**To report unlawful night hunting or any other illegal and unsafe hunting activity, call the MNR TIPS line at 1-877-847-7667 or contact the Ontario Provincial Police at 1-888-310-1122.**

**Should you wish to remain anonymous, you may call Crime Stoppers at 1-800-2228477 (TIPS), where you may be eligible to receive a cash reward of up to \$2,000.**

## CANADA REVENUE AGENCY CALL? ...

### IT MAY BE A SCAM!

The Ontario Provincial Police (OPP) want you to confirm who you're dealing with before sending any money anywhere for any reason. The ever popular Canada Revenue Agency (CRA) and other agency-related extortion threats have continued to sustain significant financial losses by unsuspecting victims. In 2017, the Extortion and Phishing Scam claimed 1,544 victims in Ontario losing approximately \$3 million from more than 8,576 complaints. Police admit only 5% of the crimes are actually reported.

In the typical CRA scam, the criminals extort money from their victims by telephone, mail, text message or email, a fraudulent communication that claims to be from the Canada Revenue Agency requesting personal information such as a social insurance number, credit card number, bank account number, or passport number. A new twist is that Fraudsters will leave a pre-recorded, clear message on your voicemail impersonating the real CRA. Fraudsters are either phishing for your identification or asking that outstanding taxes be paid by a money service business or by pre-paid debit/credit cards. They may insist that this personal information is needed so that the taxpayer can receive a refund or a benefit payment. Cases of fraudulent communication could also involve threatening or coercive language to scare individuals into paying fictitious debt to the CRA.

Other communications such as texting, urge taxpayers to visit a fake CRA website where the taxpayer is then asked to verify their identity by entering personal information. Before you respond to any type of communication, think first that this is a scam. Individuals should never respond to these fraudulent communications nor click on any of the links provided.

### Here are some warning signs:

Urgency-- The scammer always makes the request sound very urgent, which may cause the victim to not verify the story. For example, they may say "*the police are on their way to arrest you.*"

Request for Money Transfer-- Money is usually requested to be sent by a money transfer company such as Money Gram, Western Union or even through your own bank institution.

**The CRA will never request by email, text or phone, any personal information such as passport, credit card or bank account information.**

To avoid becoming a victim, police advise you to hang up, check and verify the information with CRA by calling a trusted phone number in which you have found and not the number provided by the caller.

**If you or someone you know suspect they've been a victim of the CRA scam, check with a Canada Revenue Agency official, and contact your local police service and the [Canadian Anti-Fraud Centre](http://www.p3tips.com), Crime Stoppers at 1-800-222 8477 (TIPS), or online at <http://www.p3tips.com/273>.**

**RURAL CUPBOARD FOOD BANK**  
**NEIGHBOURS HELPING NEIGHBOURS**  
CONMEE MUNICIPAL COMPLEX  
P. O. BOX 327 KAKABEKA FALLS, ON POT 1WO  
by: Gladys Grant, Public Relations

As I sit here at my desk snowflakes were falling outside and now the sun is shining. I prefer the beautiful sunlight myself. Winter doesn't officially start until December 21st but it is sure trying hard to come early. Our heating bills increase and hydro and transportation fees at this time of the year take a hike upward also. It makes it difficult for people on a fixed income and without work available for them to make ends meet. The Food Bank does get busier this time of year, so we certainly appreciate your continued donations of groceries or cash.

**A BIG THANK YOU** to the volunteers Judie McCauley, Trudy Byers, Brigitte Mosley, Marianne Makkinga and Laila Niitynen, who worked at the Regional Food Distribution Assoc. food drive at the Odena in early October and also the Odena for giving us the space to have a table in their store to collect groceries and cash. Special thanks to Jeff Main who volunteered, brought and picked up all the supplies for the food drive. Jeff works hard for the food bank behind the scenes. So grateful to him. Thanks to everyone who donated to a worthy cause. A large sum of groceries and cash was collected. The groceries went directly to our Food Bank. 50 Hampers were distributed at the food bank in October. It is increasing with the winter season approaching.

**A BIG THANK YOU** to the O'Connor Free Methodist Church for a large donation of cash to the food bank for their free Yard sale. People were more than willing to give to the food bank as they felt it necessary to make a donation for a worthy cause. Greatly appreciated.

**A BIG THANK YOU** to some Slate River Ladies for the Tea they had in Memory of Mary Germain. The proceeds will be donated to the Food Bank. Usually Mary held this tea for the Sr's in Slate River.

**A BIG THANK YOU** to the Kakabeka Legion for hosting the music on October 28th and also **JUST 4 YOU** (Brian Grant, Jerry Wark, Rob Dowaniuk, Harold Zweep and Vince & Lois Lofts also **OLD BONES** (Charlotte Hutton and Leo Paddis) for donating their time and talents to a worthy cause. A large sum of money was raised for the food bank. **Next one is Sunday, November 25th** with the **THUNDER BAY UKULELE GROUP (TBUGS) & ROAD WORN CHAPS** at the Kakabeka Legion from 2 to 4 p.m. Cash donation at the door. Come out for a great time of music, fun and fellowship to support the Rural Cupboard Food Bank School Lunch Program.

**Time for some Christmas Fun! Children's Christmas Party Fundraiser** In Support of the Rural Cupboard Food Bank will be held on Sat., November 17 from 4 p.m. - 8 p.m located at Conmee Community Centre. Tickets \$10.00 a person. See poster page 12. Contact Kimm White 251-2622, Leigh Civitarese 633-2680 or Jennifer Horan 629-2802 for tickets or more information. Only 175 available. Cash, cheque or e-transfer accepted.

**The Winners of our Draw** held on Sept. 30 were Vince Patcheson, (Nolalu, ON) 2 Nights stay at Red Pine Canoe Outfitters; Nora Sawyer (Roseneath, ON) Meat Package and Brenda Clapp, (Thunder Bay, ON) 2 West Jet Tickets. Congratulations! Thanks to everyone for supporting us by buying tickets and also the people who worked hard to sell all the tickets, **especially Lorna Kreig!!**

**The Food Bank is open Wed., Nov. 21st** with (Intake) Registration being done from 9 a.m. - 11 a.m. or they will have to phone for an emergency hamper, which is only given out once a year to any one individual!! Volunteers will remain until all the hampers are distributed. A Tax Receipt will be issued for a donation of \$10.00 or more to the food bank, as we are a Registered Non-Profit Charity! The Building Fund is always accepting donations to help pay off our mortgage on the New Building.

**Next Meeting is on Wednesday, November 7th with our Annual Meeting at 6 p.m. followed by our regular monthly meeting at 6:30 p.m.** No meetings were held in October.

**THE FOOD BANK PHONE NUMBER is 285-0836.** Call if you have any questions or concerns and someone will get back to you as soon as possible. **CHECK US OUT ON FACEBOOK!!** Our Web site is [raisethefoodbank.com!](http://raisethefoodbank.com!)

Due to unpredictability and changes in the weather, the Township of O'Connor Council & Staff would like to stress the value in collecting emergency contact information for each household in O'Connor. Having cell numbers, as well as landline numbers is beneficial in the event of downed hydro/phone lines. The staff of the Township uses the emergency surveys to contact residents in the event of an emergency situation. Please be assured that the information provided to the Township will only be used in the event of an emergency and kept strictly confidential in accordance with the Freedom of Information & Protection of Privacy Act. For questions or concerns, please call Lorna Buob at the Township Office at 476-1451 during regular office hours.
