Six letters of interest and/or resumes were received for the vacant Councillor seat. Council invited all applicants to attend an interview scheduled for this evening. The interviews were scheduled 25 minutes apart. The Clerk-Treasurer received an email from one of the applicants stating he was no longer available for the position.

Council prepared a script which was read to each candidate by Mayor Vezina during the interview. Each Councillor also offered a question to be asked to each candidate, also asked by the Mayor. They were also offered the opportunity to ask Council any questions or provide a final statement. Each Candidate left the meeting following their interview.

Following all of the interviews, Council briefly discussed the interviews and the question was asked, whether or not they needed to bring any one of the candidates back for an additional interview. It was agreed that all candidates did very well in the interview process and there would be no need to invite them back. Further discussion with regard to the candidates will be held under the closed session of the February 22, 2016 Council meeting and a decision will be made later in the open portion of the meeting. The successful candidate will be invited to start their reign at the March 14, 2016 Council meeting.
