

# **FUNDRAISER FOR O'CONNOR FIRE DEPARTMENT AUXILIARY**

The O'Connor Fire Department is a volunteer run service for the Township of O'Connor and its residents. Having a local Fire Department gives our residents access to immediate fire and emergency response.

Come out to our Paint Nite to help fundraise for the Fire Department Auxiliary so that we may continue to upgrade our equipment, keep our volunteers well trained and safe, and help community members who suffer loss from a fire.
